

**SIUC Small Business Incubator
Dunn-Richmond Economic Development Center
Affiliate Incubation Program**

The SIUC Office of Economic and Regional Development (OERD) is a hub of economic activity in southern Illinois. SIUC and its economic development programs provide extensive business development and outreach assistance to the region in addition to managing a mixed-use small business incubator home to 12 companies in the Dunn-Richmond Economic Development Center.

Entrepreneurs and small businesses looking to leverage resources that assist in the growth of their companies, but do not require them to become tenants, may apply to become a virtual Incubator client. We provide clients with access to many resources SIUC provides to existing tenants of the Dunn-Richmond Economic Development Center.

- Listing as an Affiliate Client on the SIUC SBI website with link to member's website
- Invitations to attend tenant meetings (quarterly)
- Invitations to Dunn-Richmond Economic Development Center events and training seminars
- Use of SIUC SBI's news release distribution program
- Added to SBI's tenant e-mail distribution list to receive information on resources and events in the region
- Use of Dunn-Richmond Economic Development Center conference rooms and offices – subject to availability (two days per month)
- Additional usage of conference rooms and offices at a nominal rate
- Free wireless internet access at Dunn-Richmond Economic Development Center
- On-site Notary Public
- Secure mailbox
- Ability to apply for permanent tenancy in Small Business Incubator

*Quarterly membership = \$100 *All affiliate clients must submit an application and meet eligibility requirements

(Business plan review and initial consultation. Retail businesses are not eligible)
